# Tester Activation Code Instructions

SDHT Series

This document contains instructions for activating your Larson Systems SDHT Series tester. All new testers and testers that have been serviced by Larson Systems require an activation code for continued use after 1,000 hours of operation. Larson Systems provides you this code after payment confirmation.

The instructions found on the reverse side of this document apply to the SDHT Series of testers:

UTWCS

| **SDHT**	**SDHT 2000**	**SDHT 2000 Wide Body**	**TST**

Your tester is 100% functional until Activation Time expires. Activation Time remaining can be seen on the start up screen when the tester powers up. When Activation Time expires, the tester is disabled and an Activation Code WILL be necessary for continued operation.

Tester power up sequence with Activation Time remaining:

```
New Tester
Activation
```
or
```
Tester Service
Activation
```

```
Required
in 999.0 hours
```

```
Before Tester
is Disabled
```

```
Contact LSI for
Activation Code
```

```
Contact LSI at
763-780-2131
```
```
Press a key
to continue
```

Press any key to resume normal operation.

Tester power up sequence when Activation Time has expired:

```
New Tester
Activation
```
or
```
Tester Service
Activation
```

```
Tester has been
disabled
```

```
Contact LSI for
Activation Code
```

```
Contact LSI at
763-780-2131
```

```
Press a key
to continue
```

When time has expired, hitting any key will go to the Activation Code entry screen.

Follow these step-by-step instructions to enter an activation code on your Larson Systems manual tester.

1 Press `ON / CLEAR` to start from the Force / Length or Torque / Angle.

```
    L  0.0000 in
    F  0.0000 lb
```

2 Press `OPTION` until the Activation Code menu appears.

```
        Option
    Activation Code
```

3 Press `F1` to enter the menu. Verify the serial number and service code, if listed, matches the information received from Larson Systems Inc.

```
N  SN 0123456789
Service CD   0123
```

Example of a tester with a New Activation

```
S  SN 0123456789
Service CD   0123
```

Example of a tester with a Service Activation

4 Press `OPTION` to enter the Activation Code entry screen.

```
Activation Code
nxt  0123456789+
```

Enter the activation code provided by Larson Systems using the following navigation:

Use `F1` to move the cursor forward.

Use `UNITS` to move the cursor backward.

Use `F2` to increase the highlighted input value.

Use `ZERO LENGTH` or `ZERO ANGLE` to decrease the high-lighted input value.

Input values start at 0 and increase from 0-9, A-F, then return to 0.

5 Press `OPTION` to validate the code.

```
    Activation
    Successful
```

Press `ON / CLEAR` to exit the menus.
